

Community Survey

1. Does someone you know (friends, family) suffer from diabetes, cancer, or heart disease?
___Y ___N

(If Yes) Would you be interested in a free seminar with information on how to stop, reverse, or prevent it?
___Y ___N

2. Does someone you know struggle with Depression?
___Y ___N

(If Yes) Would you be interested in a drug-free Depression Recovery class that could give you tools on how to reverse and stop it permanently?
___Y ___N

3. With the recent downturn in the economy, do you think that a free seminar on finances (how to make a budget/save money/shop wisely) would benefit the community?
___Y ___N

4. Is there a specific type of health program that you would like to see in the community?

"It has been discovered scientifically that physical, mental, and spiritual health are strongly related to each other. The final few questions deal with this."

5. Many people believe that the recent increase of wars, natural disasters, and current problems with the economy are signs that point to the end of time. *Do you think there is a connection between the two?*

___Y ___N

6. Have you ever wondered what the prophecies in Revelation mean to us today?

___Y ___N

7. If a free community event was offered on these two subjects, would you be interested in attending?
___Y ___N
